

# Combi-MG

## Combilift Mobile Gantry

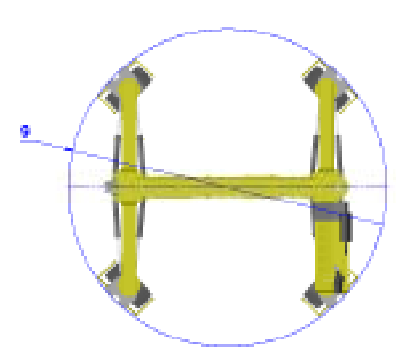

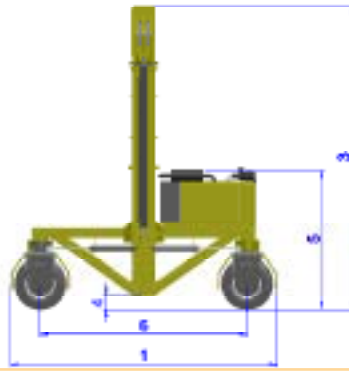

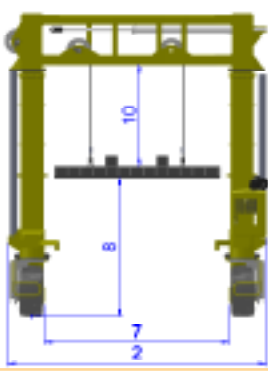

Efficient Solution for Over Sized & Out of Gauge Loads

- The Combi-MG allows for increased storage with reduced aisle widths of just 5' (1.5m)
- Available in V3800 Kubota Diesel engine and LP Gas option
- Multi-directional, 6 steering options
- Overall dimensions can be customised to suit the customers application
- Side shift 200"/5080mm. Full side shift from left to right increases storage and flexibility
